

New! Piggy 101 Class

now offered at North Georgia Wildlife Park
August 15th at 5:30pm & 22nd at 11am

There is a lot of conflicting information on pigs these days. The internet seems to confuse more than help at times. So many opinions.

As breeders and trainers for over 25 years we can help you sort through, learn and equip you in all things piggy!

This hands-on learning class is great for those wanting to learn more about owning mini and homesteading pigs and those who have become new owners. Already have a pig and just need some pointers, training tips and help? This class is great for that also!

This class is free for all those that purchase pigs from us.

(limit 1 person only per purchase)

For all others cost is \$45 per person.

max class size of 12

Classes are 2 hours. Includes farm tour, training time and essentials of piggy ownership 101.

Private Classes available!

\$275 1 hour or \$375 for 2 hours
limit up to 6 people.

Classes include:

- A tour and visit with the different breeds of pigs of paradise valley farm. We will go over what breed is right for you! Here you will get to see parent pigs and true size of adult mini pigs and homestead pigs.
- training time with adult and baby pigs.
- the essentials of piggy ownership 101 such as what you need to know before bringing a pig home, health , training and what to look for in purchasing a pig.
- question and answer time to address your specific questions and concerns.

We are taking extra COVID-19 precautions and limiting class size to 12 participants.
